Farmhouse-style residence, crafted by ColeBrooke Custom Homes. The home's charming Lap & board and batten siding and tasteful stone, cedar brackets and metal dormer roof accents create a welcoming first impression, enhanced by a convenient 2-car side-load garage with openers. Step onto the inviting covered front porch, featuring elegant cedar columns, stone steps, and flooring, before entering through grand double Mahogany doors. Inside, an elegant two-story foyer unfolds, showcasing a striking hardwood staircase with step lighting and a grand chandelier. A dedicated study/office on the main floor, complete with built-in shelves and a convenient powder room for guests, provides an ideal workspace. The open living area flows seamlessly, adorned with luxury vinyl plank flooring and a stunning two-tone custom kitchen with open wood shelving. A large island, complete with custom wood end-cap accents and bar stool seating, serves as a natural gathering point, complemented by a spacious walk-in pantry. Culinary enthusiasts will appreciate the built-in microwave and oven, gas cooktop, and range hood. The living area is anchored by a custom stone fireplace with a rustic wood beam mantle, flanked by custom built-in cabinets and shelving. The main floor also features a well-appointed laundry room with a sink and garage access, along with a practical drop-off bench with hooks and cubbies. Retreat to the main floor
